26th International Conference of
International Academy of Physical Sciences

Date: 27/11/2020

Dear Dr. Vicky Jain,

We are pleased to inform you that your request for funding support to attend “**26th International Conference of the International Academy of Physical Sciences on Advances in Algebra and Analysis**” to be held during December 18-20, 2020 at Rajkot has been approved. As a scientific body, we recognize the value of attending conferences like this and the importance of supporting professionals in their professional development.

We will provide you with full funding support for the conference, which will cover all expenses associated with your attendance, registration fees, and any other expenses you may incur.

We believe that your attendance at this conference will be beneficial not only for your personal and professional growth but also for the advancement of physical sciences. We look forward to hearing about your experience at the conference and how it contributes to your ongoing research and professional development.

Please let us know if you require any further assistance or any paperwork related to your attendance at the conference.

We wish you all the best for a successful and productive experience at the conference.

Sincerely,

Organizing Chair

26th International Conference of
International Academy of Physical Sciences

Date: 27/11/2020

Dear Mr. Darshak Pandya,

We are pleased to inform you that your request for funding support to attend “**26th International Conference of the International Academy of Physical Sciences on Advances in Algebra and Analysis**” to be held during December 18-20, 2020 at Rajkot has been approved. As a scientific body, we recognize the value of attending conferences like this and the importance of supporting professionals in their professional development.

We will provide you with full funding support for the conference, which will cover all expenses associated with your attendance, registration fees, and any other expenses you may incur.

We believe that your attendance at this conference will be beneficial not only for your personal and professional growth but also for the advancement of physical sciences. We look forward to hearing about your experience at the conference and how it contributes to your ongoing research and professional development.

Please let us know if you require any further assistance or any paperwork related to your attendance at the conference.

We wish you all the best for a successful and productive experience at the conference.

Sincerely,

Organizing Chair
