**MARWADI EDUCATION FOUNDATION'S GROUP OF INSTITUTIONS**  
**Faculty of Computer Applications**  
**Socio Nature Club Activity Report**

---

Socio Nature Club, Faculty of Computer Applications, Marwadi Education Foundation's Group of Institutions, Organized an activity "**Save the Future Go Green**" in orientation program with the students of BCA and MSclt Sem – 3 at "Pradyuman Park", near Marketing Yard, Lalpari Lake, Rajkot on dt:22-06-2017 from 09:00 am To 01:00 pm.

Total 22 students and 2 faculty members were participated in this socio nature club's activity & more than 10 members of Pradyuman Park also helped us to plantation of trees.

The students were extremely happy to participate in this initiative. Students understand the importance of "going green," it's also crucial to encourage students to be environmentally conscious.

All the necessary tools which are needed for plantation provided by Zoo official. Dr. Hapaliya Sir, Staff member, RMC taught students in details about how to plant a tree? Ravibhai Chauhan staff member & other supporting staff of Pradyuman park also shared their knowledge about the plants & their uses.

After the introduction and knowledge session, all the 22 students were divided into different groups of 7 each of having 3 members in the group. Each group assigned various jobs. Each group was given a certain number of saplings which had to be planted.

Save the Future Go Green is one of the activity of Socio Nature Club of F.C.A. MEFGI. This All participants are grateful to the gardeners who helped throughout the planting of the sapling. It was definitely an enriching experience for all those who have participated in tree plantation.

After the plantation, all students & staff visited the Pradyuman Zoological Park and had a lunch together with lots of fun. It was really an unforgettable day for all.

At the end of program, on behalf of F.C.A, Marwadi family, Prof. Ashwin Dobariya, SocioNature Club Coordinator expressed sincere thanks to all supporting staff of RMC and Dr.Hapaliya saheb , Director – Parks & Garden , RMC for their kind support in arrangement of this wonderful activity. He also thanked the college management, Dean Dr. R. Sridaran and faculty members who supported the event.

## Marwadi University

Marwadi University is pioneer Gujarat's leading Innovation ecosystem, it symbiosis Startups, corporations, governments, academia and investors to navigate reframing change

Marwadi University has established a center to nurture innovative start-up businesses in their pursuit to become scalable and sustainable enterprise called MUIIR Center- Marwadi University Centre for Innovation, Incubation and Research

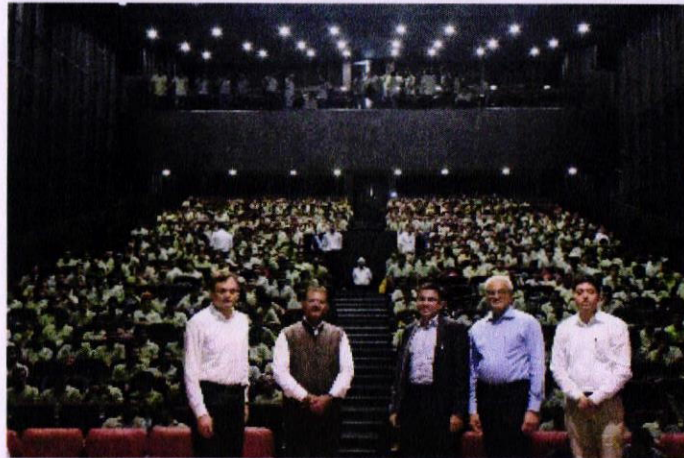

At MUIIR Center various facilities available:

- **MakerLab:** A PrototypelabatMarwadi University 3D Printer, Laser Cutting Machine, PCB Prototyping Machine and other Prototyping Tools
- **First Office:** First Office for the Startup so they can start their initial operation from the campus with 5 Close Cabin, 4 Open Cabin, Conference Room and Visiting Area
- **MOOC Studio:** MOOC studio to develop video lectures. Itisalsousefultohepreparestartupvideopitch.Camera,Webcam,WritingpadandCo mputer System
- **IPR CELL:** IPR Cell for the patent search, filing, drafting and other support to publish patent, copyright, trademark
- **E-cell:** E-Cell is a group of dedicated members which provide training and development, workshop, seminar etc.
- **Business Development Cell:** Business Development Cell to support Entrepreneur to provide Handholding Support

## Highlights of Marwadi University Activities

- **Startups Talk**

*Startup talk is Entrepreneurship centered programme introducing students about various government schemes information to setup business and career orientation talk and some of Alumni has shown their journey to setting up their business*

- **Entrepreneurship Awareness Camp**

*Entrepreneurship Awareness Camp is three days programme where knowledge is poured by very successful entrepreneurs to students by giving theoretical and practical knowledge. Students also visited their firms and get sound knowledge about advance R&D Laboratories situated at their firm*

- **Intellectual Property Rights and Expert Talk**

*Intellectual Property Rights and Expert Talk of Entrepreneurial Career Option is a programme centered on the very important topic called IPR where speakers give explanation about the IPR from Very basic to Advance and taught them that how IPR is useful to the Entrepreneurs.*

- **Entrepreneurship and Patent Filing**

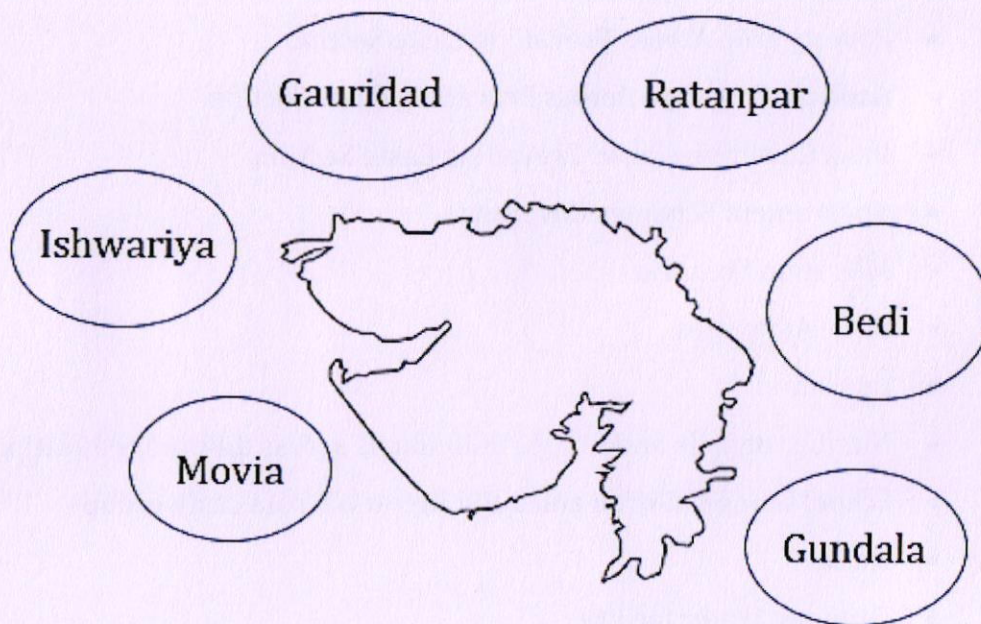

*The goal behind this event is to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects, to foster innovation, learning, inspiration & wonder and provoke conversations that matter. To create awareness regarding the Intellectual Property Rights and how powerful tool it is for conversion of Research to Revenue to the young techies of Science.*

## Unnat Bharat Abhiyan at Marwadi University

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge to help and build the architecture of an Inclusive India.

Under this Unnat Bharat Abhiyan, Marwadi University have adopted six villages and nurturing them by basic need, knowledge and education etc....

*Figure 1 Marwadi University Adopted Villages*

## Various UBA Activities by Marwadi University

- **Detailed Analysis of villages**

To serve the villages in a better way, it is very helpful to know about the villages So that Marwadi University's UBA members and team had visited all the villages and meet their citizens and take a survey on various parameters like

- Demographic Profile
- Gender Wise Population Across Age Groups
- Poverty Line Across Prevailing Caste Section
- Aadhaar Coverage Across Prevailing Caste Section
- Bank Coverage Across Prevailing Caste Section
- Government Schemes Coverage
- Migration Scenario
- Basic Amenities
- Education
- Number of male and female individuals across different education levels
- School Going Children and adult literacy across caste groups
- Health
- Drinking Water facility
- Drainage facility and Sanitation
- Compost Pit
- Households with and without toilets across different prevailing caste section in village
- Type of Houses among the households
- Village Connectivity
- Land and Agriculture Resources
- Agricultural Produce
- Livestock Assets, Source of Energy and Power

Figure 2 UBA-MU team interacting with village citizens

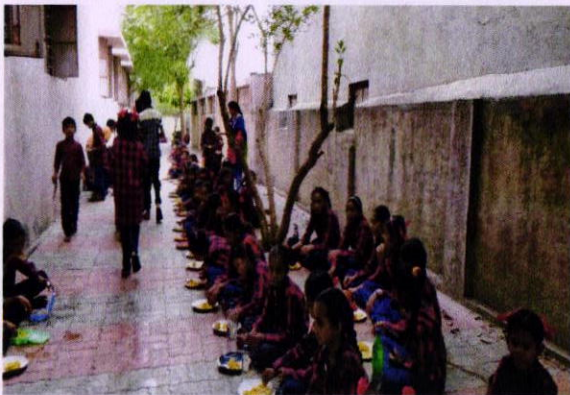

- **Development through Quality Education**

It is rightly said that if you educate a single child in a family it changes the life of upcoming generations of that family. MU-UBA members visit the schools in the village and not just teach the students about their academics but also make sure that they have the value of the education given to them. Team MU-UBA is working on two motto one is to educate rural area school students, and other is getting people aware about the importance of education.

*Figure 3 UBA-MU Team Teaching to students*

*Figure 4 Development through Quality Education*

- **Wall of Humanity**

We felt that helping those who are working very hard but still cannot afford necessary things, and that too with things which are of very less or no use to us will be a far bigger help than donating some money to beggars. This wall will be open 365 days to accept extra things of your family and will be open 365 days for those who can use them. UBA-MU team will collect all these things and distribute among the needy people of villages

*Figure 5 Wall of Humanity*

- **Tree Plantation**

We humans have exploited the natural resources so much that few decades from now we would be on the verge of extinction. UBA-MU not just initiate the nature care services but also make sure that they last long.

An initiative to not just plant the trees but also to take care of it on regular basis and to make sure that it is beneficial to the people around it. Cleanliness drives in our country was initiated on a large scale and we as a part of the society

We figured it out that a single step to cleanliness is all it takes to make people understand its importance and we were able to successfully prove that we not only be a part of the solution but also promote the cleanliness drive by making people join us and keep the society intact with having a sustainable development with protecting the integrity of each and every aspect of the society.

*Figure 6 Tree Plantation*

- **Health Care to Happiness**

Knowing yourself makes you the strongest and knowing about others health is major part of it. And in today's time, there are many rural people who don't know a thing about their health not even Blood Group! UBA-MU team with support of Physiotherapy and Pharmacy department have conducted Health Check-up at Gauridad village.

*Figure 7 Health Care to Happiness*

- **Women Empowerment**

Take a country or a home, without women it's NOTHING. And development of them plays major roles in many ways. Behind every successful woman, there's another strong woman who has their back with them.

Sanitary napkins are one of the daily needs in a women's life and shockingly, many of them were not aware of it.

UBA-MU Team provided them sanitary napkins, gave them basic knowledge of it, and also taught them how to use and discard them properly. They also got to know why using these napkins are safer for their health.

Thus, strongest and hard-working women out there started using them and showed positive responses well. They also learnt importance of cleanliness and good health in routine life.

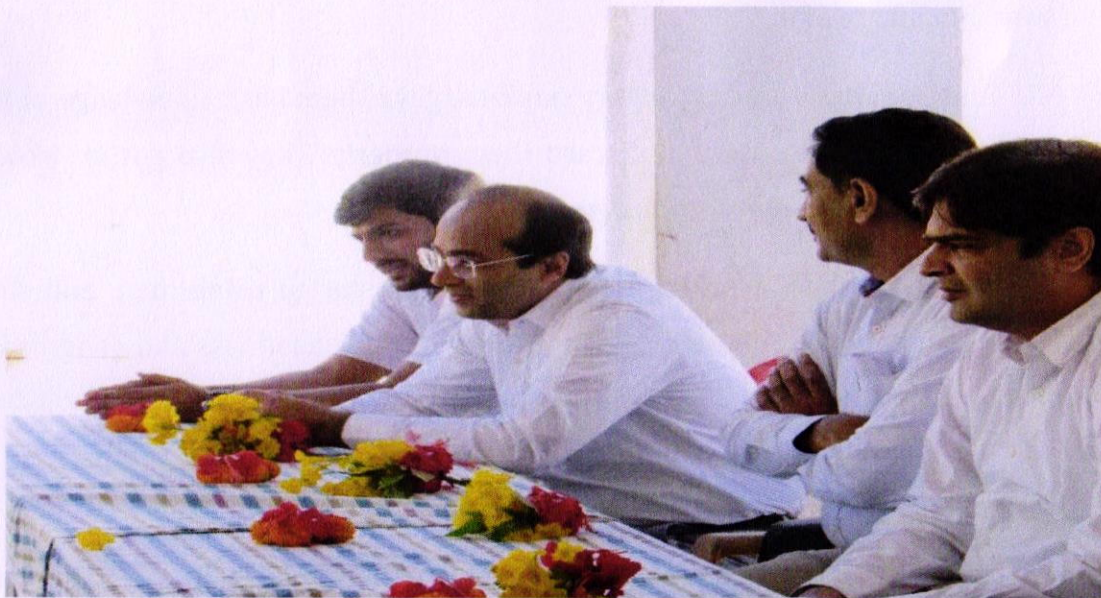

*Figure 8 Women Empowerment*

- **Village Camp**

Village camp program started by Dr. Naresh Jadeja (Registrar MEFGI), Dr. Ramdevsinh Jhala (Dean, MEFGI), Mr. Nilesh Gotecha (Head Branding and Marketing). Mr. KishorSinh Zala (Sarpanch Ratanpar), Miss. Daxaben(Principle Primaryschool).

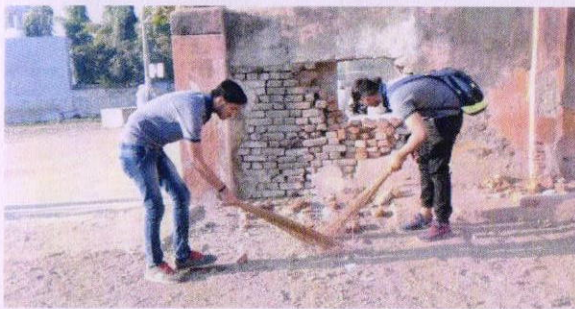

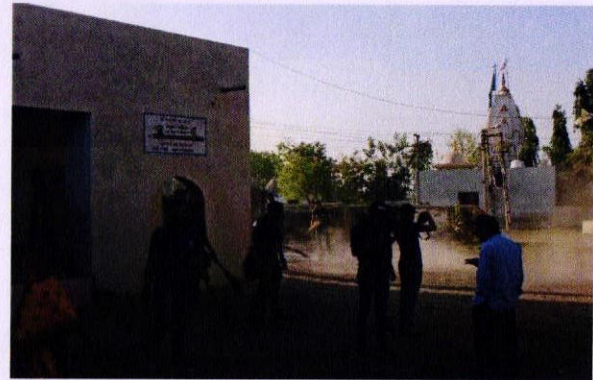

*Figure 9 Orientation to Village Camp*

- **Swachchh Bharat Abhiyan**

Swachchh Bharat Abhiyan was carried out in village. Different areas of the village weretakenandwerecleanedbythevolunteers.Thiscreatedabuzzinthevillageand suddenly UBA-MU Team started getting more attention than ever before from people across thevillage.

*Figure 10 Swachchh Bharat Abhiyan*

- **Awareness about YOGA**

An intensive activity of Yoga used to be carried out every day, Students showed great enthusiasm in yoga every morning and also had prayer every day.

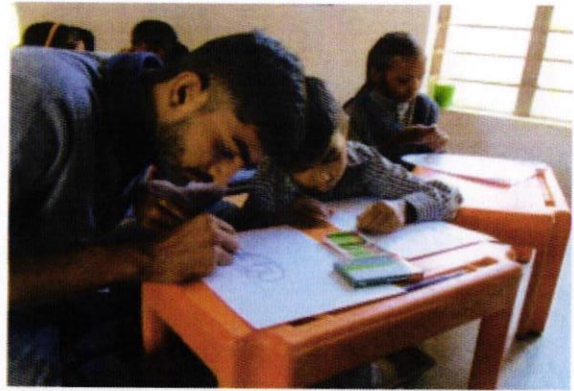

*Figure 11 UBA-MU team Awaring people about YOGA*

- **Encouraging Students via Drawing Competition**

Drawing Competition had been organized in school. Students of the village were taught to draw and then a competition was organized among them. 50 students were present which boosted the moral of the volunteers as well. At the end, drawing books, crayons, sketch pens were distributed among the students to encourage them for further activities.

- **Blood Donation camp**

A Blood Donation Camp was organized in the village community hall. On the previous day, villagers were made aware on the blood donation of its importance saurashtra voluntary blood bank was invited for the noble cause. On that day, many UBA-MU volunteers also donated their blood. Few of the villagers also turned up on the occasion. In all, 32 bottles were collected from the village which itself is a big achievement in itself looking at the grass root level.

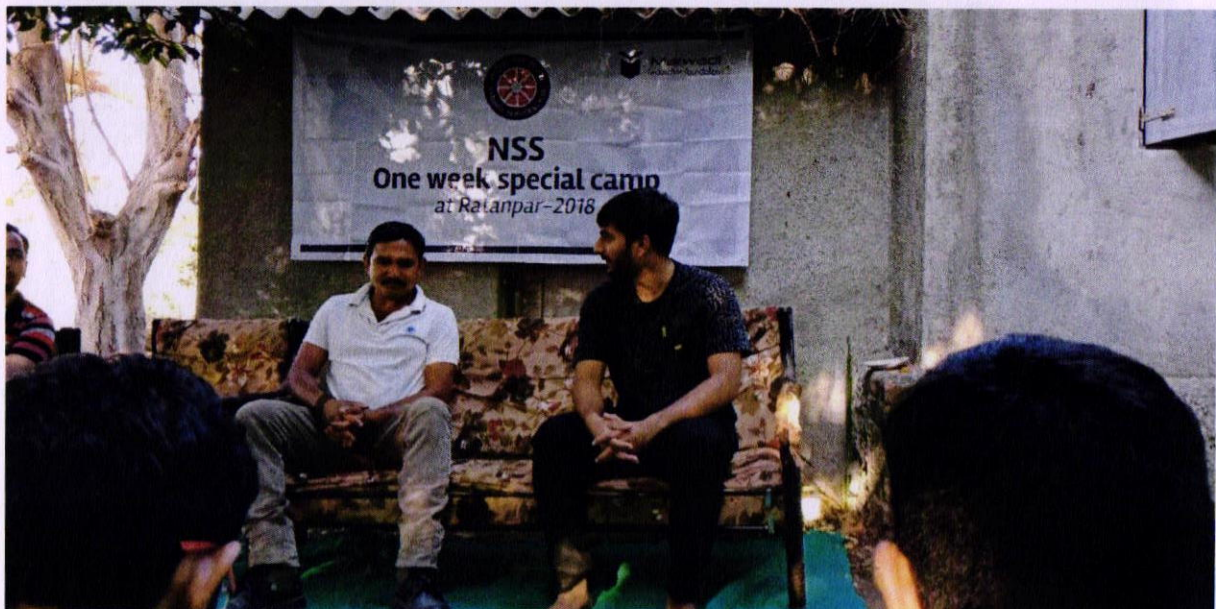

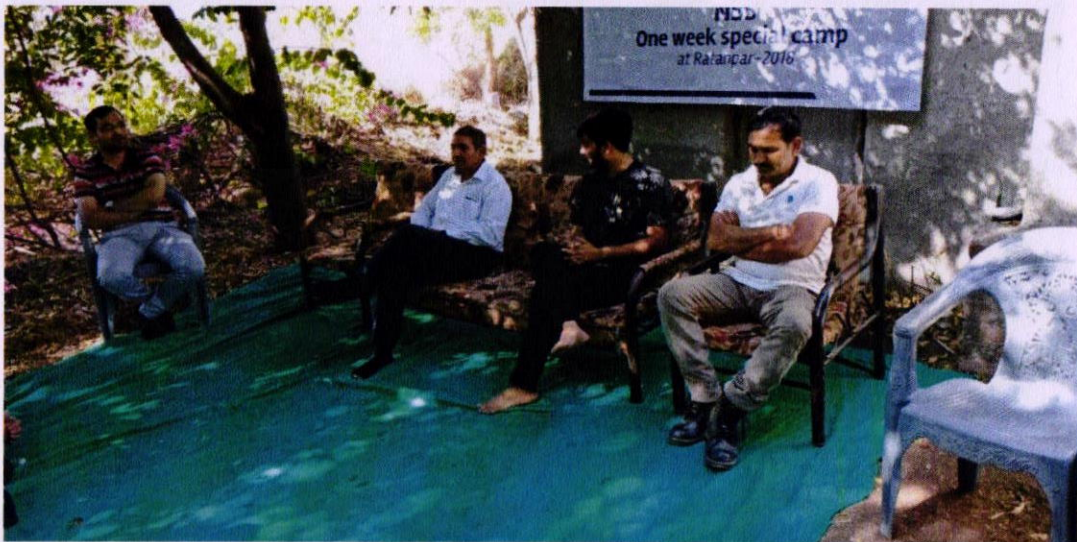

*Figure 13 Blood Donation camp*

- **Interaction With farmers**

Various crops which are grown in farm near to village and met the farmers who produce highest amount of crop in village and also had a chief guest Dr. B. D. Khanapra (MU Agriculture principal) who gave vast knowledge about agriculture to farmers and to UBA-MU Volunteers

*Figure 14 Interaction With farmers*

- **Polio Camp**

All UBA-MU volunteers started spreading awareness about polio vaccine and visited above 160 houses of the village and served polio vaccine door to door.

*Figure 15 Polio Camp*

- **Awareness through Essay Competition**

Awareness through Essay Competition In this activity all UBA-MU volunteers interacted with the children of school and shared knowledge with them and also organized essay writing competition for school students.

*Figure 16 Awareness through Essay Competition*

- **Thalassemia camp**

UBA-MU Team had done thalassemiacheckupforunmarriedpeoplesinvillege.Theage group belonging from 15 to 35years.

Figure 17 Thalassemia camp

- **Awareness about Girls Education**

UBA-MU Volunteers gave basic information about girl education and Women's right and determine their choices. They also gave information about Women's ability to contribute in social as well as economic conditions.

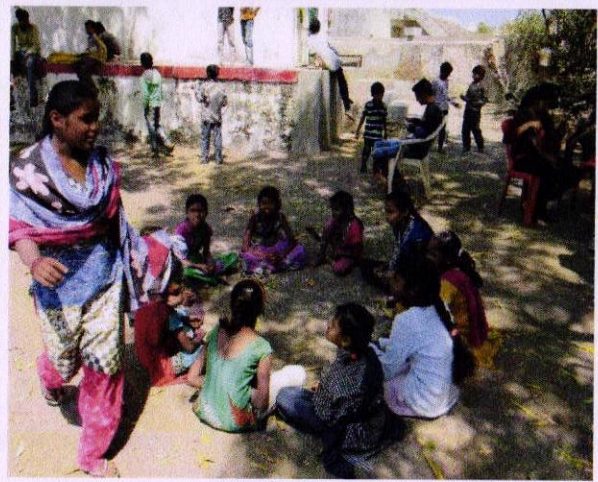

*Figure 18 Awareness about Girls Education*

- **Teaching importance of co-curricular Activities**

All students of government school were given sport equipment's and were open to play various games like Cricket, Badminton, Musical chair etc.

*Figure 19 Teaching importance of co-curricular Activities*

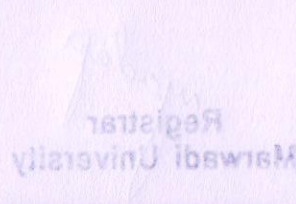

- Awaring about 21st century Revolution

UBA-MU volunteers first of all repaired all PC's and then gave basic knowledge about mobile and computer software's to school students. We also showed them videos from which they can gain some knowledge about latest technology.

**SUB: TREE PLANTATION DRIVE NEAR 'ATAL' SAROVAR AND AT RATANPAR VILLAGE**

Respected sir,

With the help of NSS MEFGI and sports department, volunteers took initiative for the plantation of trees at both sites. Around 11,111 trees have been planted within few hours near 'Atal' lake (New 150 feet ring road) under the campaign of Honorable CM Vijay Rupani and RMC.

Similarly, special tree plantation drive was organized at ratanpar village on 28<sup>th</sup> July 2018. With the help of sarpanch and all NSS volunteers, we planted 60 trees at ratanpar village.

For transportation, Bus facility was available for all 156 'NATURE LOVERS' of MARWADI UNIVERSITY. It was very enthusiastic to see all the volunteers working hand-in-hand and energetically.

It was really an amazing experience by living the life of farmers for few hours and realizing how hard they work.

### Report on the webinar:

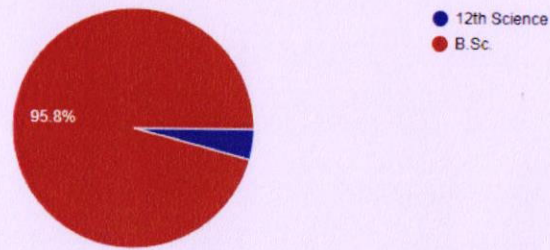

- > CGW was held on 3<sup>rd</sup> October, 2020.
- > Messages were sent to numbers of 12<sup>th</sup> pass and B.Sc. pass students which we have in our record. Also a message was sent to different academic groups on WhatsApp for further communication.
- > Total 144 participants registered.
- > Total number of views observed was 42 during the webinar. Majority of participants were from Rajkot, Jamnagar and Junagadh.
- > The webinar was started at 10:00 am and got over by 11:10 am.
- > In the beginning, we started with the current scenario regarding education and the competitive environment, and how girls hold a bright future in the field of science and then in detail about every branch of Life Science, i.e., Microbiology, Biotechnology and PGDMLT

### Conclusion:

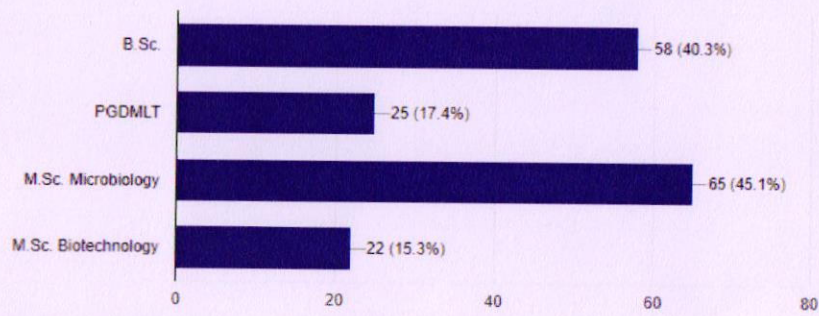

1. The enrolment for the webinar was fair.
2. We were able to identify the 12<sup>th</sup> pass and BSc pass students list because the tab inserted for the same was furnished in the registration link itself.
3. This time we were also able to see the interest of participants.
4. Faculties kept the status of the creative design of CGW on WhatsApp.

## **GREEN AND CLEAN INDIA CAMPAIGN**

When I was a kid,  
I watched those lovely chirping birds,  
I watched little plants thriving in the  
green nurture around me

I saw the river bank washing my feet,  
I loved the way air smelled before the  
rain,

But today I feel those birds are crying  
out in pain,  
I see the tress being cut and feel sorry  
and drained,

I don't know how things suddenly  
changed  
I don't know how people have gone  
insane

I kneel down in prayer at the dry river  
banks  
Calling upon humanity to stop this  
rampage

Today, here I call upon you, one and  
all, Let us save mother earth Before it  
is too late to rise from the fall!

**Ayush Raikundaliya,**  
Student MEFGI

And as an NSS unit, we join hands and take a pledge to save the environment, Save  
NO to Plastic and Plant more trees.

Our Mission:  
Save the environment. Save Planet.  
#saveTheEnvironment
