Introduction:

Team UNNAT BHARAT ABHIYAN, MARWADI UNIVERSITY for the first time ever organized a 7 days Village camp at a village named Ratanpar , Rajkot, Gujarat from 9-3-2018 to 14-3-2018

The preparation of the camp started a week ago from the date of the camp. UNNAT BHARAT ABHIYAN Program Officer Charmin jarsaniya& Vishal Sorathiya with 2-3 student volunteers visited the village twice before setting the camp. There were 39 Volunteers in all which included 8 girls as well. Students from all branches and all years participated in the camp with great zeal.

The objective of this camp was to begin the interface with community, rapport building with community members and developing understanding of the village keeping in view the rationale of village adoption i.e. develop long term institutional relation with the community and contribution to the upliftment of people therein.

Beginning of the camp

The students reached the village by afternoon and they immediately realized that the place was an abysmal pit. All the volunteers cleaned and washed the place thoroughly. Once everything was in place, all of them settled down. But there were more bottlenecks awaiting us. There was no water for drinking as well as bathing. So, some of the volunteers along with our Program officer went to the villagers for arranging the same. Then students were given the opportunity to have an introduction with the villagers and familiarize themselves with the milieu. So, there was a one to one interaction between the villagers and the student volunteers. After supper, there was a meeting at night to discuss the plan for the coming days. Students noted down each and every minor detail which they came across in the introduction session
