Alumni Policy :

The following policies are intended for use by the members of Faculty of Computer Applications, Marwadi University alumni association.

- Alumni associations are focusing their efforts on market-related activities that have greatest impact, increasingly relying on market information and data to segment programs and create value-centric relationships with their alumni.
- Alumni engagement through lifecycle interests focuses on a continuum of involvement with the institute, from beginning as soon as a student enrols to extending through life, with programs provided for all age groups.
- For the development of the alumni students' regular interactions through lecture series and formal talks (experience of the job interviews and etc) can provide a very useful Industry interface. This serves as a forum for exchanging and sharing practical functional expertise between field expert and the future technocrat.
- Alumni Members may contribute to the development of the department through finance and their support services.
- Alumni members can be associated through university website, alumni WhatsApp group, and social media pages.

A TALK ON "IN CONVERSATION WITH MY ALUMNI"
Alumni Talk: 11.10.2021

The department of Civil Engineering arranged a program called "Alumni Talk" on 11th October, 2021 for the students. The main objective to arrange an Alumni Talk was to make the students aware of industry trends and their actual requirements as well as expectations. Moreover, the talk was focused on motivating the students to be focused on technical as well as practical knowledge for better placement opportunities. Almost 19 students attended the session and also got a chance to resolve their queries.

With the support and motivation from all the HODs, we were able to invite our prominent Alumni speaker to deliver their views on various aspects like career opportunities, industry demands and self-development. The detail of the Alumni speaker is as follows:

1. Mr. Harsh Chandreshbhai Mehta

He is currently working as a Builder & Developer of the firm named "Siddhi Group. The main key points of his talk were:
- Importance of core subjects in Civil Engineering industries.
- Self-Motivation to be a skilled technical.
- Expectations of industries from a fresher.

Glimpses of this Program are as follows:

Alumni Visit to Campus

Introduction

On 16-09-2022 group of alumni from the Information Technology Engineering department visited our institution. The purpose of the visit was to interact with the current batch of students and share their experiences, insights and tips for success in the IT industry.

Visit Date: 16-09-2022

Visited Class: MU 7th Semester

Location: MA205

Key Points from the Visit During the visit, the alumni shared various insights and tips that the students found beneficial. Here are some of the key points that were discussed:

1. Importance of Communication Skills: The alumni emphasized the importance of having good communication skills. They pointed out that IT professionals often need to interact with clients, stakeholders and team members. Therefore, good communication skills are essential to convey ideas and information effectively.
2. Importance of Soft Skills: The alumni also emphasized the importance of soft skills such as teamwork, adaptability, and problem-solving. They explained that IT professionals often work in teams and need to collaborate effectively to deliver projects successfully.
3. Career Opportunities: The alumni also discussed the various career opportunities available in the IT industry. They shared their experiences working in different roles such as software development, cybersecurity, data analysis, and project management. They also talked about the growing demand for IT professionals in the industry.
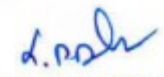

Conclusion The alumni visit was an informative and engaging session for the IT engineering students. The alumni shared their experiences and insights, which helped the students gain a better understanding of the IT industry. The visit provided the students with valuable tips and advice that they can apply to their career paths.

ONLINE TALK ON "IN CONVERSATION WITH MY ALUMNI"
Alumni Talk: 05.07.2021

The department of Civil Engineering arranged a program called "In Conversation with my Alumni" on 05th July, 2021 for the students of 5th & 7th Semester GTU and MU. The main objective to arrange an Alumni Talk was to make the students aware of Industry Trends and their actual requirements as well as expectations. Moreover, the talk was focused on motivating the students to be focused on technical as well as practical knowledge for better Placement Opportunities. Almost 12 students attended the session and also got a chance to resolve their queries.

With the support and motivation from all the HODs, we were able to invite our prominent Alumni speaker to deliver their views on various aspects like Career Opportunities, Industry Demands and Self Development. The detail of the Alumni speaker is as follows:

1. Mr. Kishan Pandya

He is currently working as an Entrepreneur and an Owner of the firm named "Welproof Constructions and Waterproofing Pvt. Ltd. The main key points of his talk were:
- Importance of Core subjects in Civil Engineering industries.
- Self-Motivation to be a skilled technical.
- Expectations of Industries from a Fresher.

Glimpses of this Program are as follows:

OBJECTIVE OF THE EVENT

Department of Chemical Engineering Department had organized an expert session on "SCOPE AND CHALLENGES FOR CHEMICAL ENGINEERS IN INDUSTRIES" on 6th March, 2021. The prime objective of this session was to expose students to the Chemical industries and scope for them after completion of the degree.

FLOW OF THE EVENT

On 6th March, 2021 an expert talk was arranged on the topic "SCOPE AND CHALLENGES FOR CHEMICAL ENGINEERS IN INDUSTRIES" by Dr. Bibekananda Basu. We had students from various groups including; semester 4, 6 & 8 B.Tech Chemical Engineering and M.Tech students The talk was initiated by faculty member Ms. Divya Tirva, she formally introduced the

expert speaker to the participants. Along with Dr. Basu, Mr. Dhananjay Singh, AVP, Learning & Development Department, Marwadi University was also one of the panel member for this session. Dr. Basu enlightened the students about the role of chemical engineers in the society & industry. He discussed elaborately the roles and responsibilities of the graduate engineers in all possible sectors. He established very clearly about the scope for chemical engineers in the all allied chemical process, product, bioengineering, biotechnology,

petroleum, polymer, food technologies. After the elaborative session by Dr. Basu a panel discussion was initiated by the event coordinator Dr. Ritesh Palkar, the topics covered in the panel discussion were, preparation for PI's, expectations of the industries from fresh graduates, attributes of the graduate students and motivation. The session came to an end with questions posed by our students and a vote of thanks by the coordinator Dr. Ritesh Palkar.

Outcome of the Event

✓ The students could understand the role of Chemical Engineers in their future prospective.
✓ The need and implementation of key factors like self-motivation and systematic preparation for the future endeavors.

Mode of session	Zoom meeting

Objective of the Event:

Department of Chemical Engineering Department had organized an expert session on "Flow Chemistry and Its Application in Chemical Industry" on 5th April, 2021. The prime objective of this session was to expose students to the flow chemistry, its application in chemical industries, process intensification, and startup.

Flow of the Event:

On 5th April, 2021 an expert talk was arranged on the topic "Flow Chemistry and Its Application in Chemical Industry" by Mr. Abhijeet Kulkarni, MD and CEO.FLOWRHEX, Proburgeon Pvt Ltd. Pune, Maharastra. We had students from various groups including; semester 4, 6 & 8 B.Tech Chemical students and M.Tech students. The webinar was initiated by Head of the Department Prof. Abhishek Gupta, he highlighted the need of such webinars and expectations from the participants. Then even coordinator Dr. Ritesh Palkar, formally introduced expert speaker to the participants. Mr. Abhijeet enlightened the studentsabout the role of flow chemistry along with its applications in the Chemical process, project as well as design industry. He discussed elaborately the role of process intensification, Mr. Abhijeet also highlighted the

approach of "Atmanirbhar Bharat", Mr. Amol Raykar who is Cofounder and COO of FLOWRHEX, was also one of the panel member; he emphasized the importance of team work and early planning for developing any startup. Experts established very clearly about the scope of flow chemistry in chemical engineers and appropriate initialization for startup as well as funding facilities available. After the session came to an end with highly interactive question-answer session and a vote of thanks by the coordinator Dr. Ritesh Palkar.

Outcome of the Event

- ✓ The students could understand the role of flow chemistry, process intensification especially in the Chemical Engineers processes.
- ✓ The need of startups and proper way to achieve the goal of entrepreneurship.
- ✓ Availability of technical mentors and funding for start-ups.

ALUMNI MEET -24 MAY 2020

Alumni Meet of M.Sc. Batch: 2017 – 2019

Date: 24.05.2020

The 1st Alumni meet of M.Sc. 2017-2019 batch was held on 24th May, 2020 at 6:00 PM. Due to COVID-19 restriction, this meeting was held over Zoom (Video conferencing meeting).

Objectives:

The objective of the meeting was to interact with the alumni, planning for the future events, conducting surveys on the alumni satisfaction, feedback from the alumni, and how they can help for our admission process.

Meeting Proceedings:

Meeting started over Zoom at 6:00 PM. All the existing faculty members and ex-faculty members and former HOD Dr. Jenishkumar Patel joined the meeting. Student coordinator Mr. Bhavesh Dabhi welcomes all the faculty and staff members of the department and interacts with faculty members. The session was handed over to faculty coordinator Dr. Mukesh J. Keshvani welcomed the entire pass out students of 2017-2019 batch.

Dr. Keshvani interacted with all the students present in the meeting. Students remembered their days in MU and became nostalgic. A few students are now becoming teacher/assistant professors in different schools and colleges namely Mr. Bhavesh, Mr. Vishal, Mr. Pradeep, Mr. Hemish and many more. We are happy to note that students are pursuing their higher education (MPhil/PhD) such as Ms. Charmi, Ms. Naimisha, Ms. Manjula and many more. However it was nice to see that Mr. Milan has started his own business.
Finally Dr. Jenishkumar Patel (HOD of the 17-19 batch students) addresses the students. He reminds the students about the long term and short term goals in life and how these may change depending on the situation. He also becomes nostalgic while talking to the students.

The meeting ends with the feedback from the students.
